

## Popcorn Hometown Heroes Campaign

[www.91bsa.org/popcorn&heroes](http://www.91bsa.org/popcorn&heroes)

The Chattahoochee Council is proud to announce a new way to support local Scouting and our Hometown Heroes working hard to help our community through COVID-19. Your donation to our new Hometown Heroes Popcorn Sales Campaign will provide delicious popcorn to a variety of our community's first responders and other essential workers that continue to endure through the national pandemic. Let's thank Law Enforcement, Fire & EMT, Medical Professionals, Educators, and many more by giving them a treat of Scouting popcorn.

This is a great way to support our community and also provide financial assistance to ensure that the Scouting program is available to youth that need it more now than ever before.

Simply visit [www.91bsa.org/popcorn&heroes](http://www.91bsa.org/popcorn&heroes) and in a few short steps, your contribution can be completed and popcorn will be delivered to our heroes. Thank you for your continued support of our community and the Boy Scouts of America.
